

# **Fuel Choices and Smart Mobility Summit**

**TEL AVIV 2017**

Tuesday, October 31, 2017

08:30 – 12:30

**A Roundtable on Smart and Autonomous Public**

**Transportation:**

**Collaboration between Leading Cities in Israel and in Europe**

**- For city representatives, by invitation only**

## Agenda

- 08:30 – 09:00** Registration and light refreshments
- 09:00 – 09:05** Opening remarks: Dr. Anat Lea Bonshtien, Chairman and Director of the Fuel Choices and Smart Mobility Initiative, Prime Minister's Office
- 09:05 – 09:30** A review of smart public transportation in Israel and a presentation of the Ashdod-MIT Living Lab as an example of the collaboration concept –  
  
Dr. Smadar Itskovich, Ashdod Municipality
- 09:30 – 10:30** Smart transportation in leading cities in Europe: accounts by representatives from European cities.
- 10:30 – 10:45** Coffee break
- 10:45 – 11:30** Preparing a city for smart or autonomous public transportation:
- Safeguarding public interests while collaborating with the private sector, i.e., Who owns the data during these collaborations?
  - Addressing and overcoming legal and regulatory barriers, i.e., What does a city need from the federal agencies to enable autonomous vehicles?
- 11:30 – 12:00** Summary and discussion: Ways to achieve inter-city collaboration.
- 12:00 – 12:30** Presentation: A window of opportunity for joint funding between Israeli cities and the European Union - Dr. Nili Mandelblit, The Israel-Europe R&D Directorate (ISERD)
